Dear Friends:

Thank you for demonstrating your ongoing commitment to healing a hurting world through your generous contribution of \$3,370.00 to Episcopal Relief & Development.

Because of your generosity, Episcopal Relief & Development is at the forefront of efforts to fight poverty and hunger by promoting climate-smart agriculture and empowering women through savings groups and vocational training. Our *NetsforLife*® methodology of mobilizing church leaders and faith-based networks to prevent malaria is now tackling diarrhea and pneumonia and saving the lives of even more children under age five. You enable us to invest in resilience, working with local leaders in the United States and internationally on preparedness measures that strengthen communities to survive and recover from disasters. In all, your support reaches more than 3 million people in nearly 40 countries worldwide, and we are grateful for your partnership!

For more information, call us toll free at 1.855.312.HEAL (4325), or visit the What You Can Do section of our website.

In partnership, we are healing a hurting world.

With best wishes for the New Year,

Robert W. Radtke  
President
